

Auto Action Fleet Services
is a *professional and personalized*
vehicle procurement service that can
save you money and valuable time.

Auto Action

Fleet Services

Driving service and savings your way.

It may be hard to believe, but buying a vehicle *can* be a **pleasant experience**. Here's how:

You ...

- ✓ Contact us to discuss your vehicle needs
- ✓ Identify desired vehicle, options, and color
- ✓ Arrange your financing, or we can provide assistance

And I will ...

- ✓ Find a vehicle match
- ✓ Take care of all the details
- ✓ Deliver the vehicle to you

Why use Auto Action Fleet Services?

- **Industry experience** working for you
- Outstanding **personalized service**
- **Eliminates high-pressure dealer sales tactics**
- Very **competitive new car pricing**
- Exceptional **savings on used vehicles**

No haggling. No hassles. **No problem.**

Let Us Help You

Auto Action Fleet Services works with individuals and companies. With access to both local and nationwide auctions, as well as relationships with fleet suppliers, we have exposure to a broad vehicle pool.

That means we can purchase most brands, makes, and models *without* adding the typical dealer markup and overhead expenses to your cost.

The bottom line is bigger savings for you.

**Let's discuss
how you can
save on your
next vehicle
purchase!**

With 20 years of fleet experience with Anheuser-Busch, specializing in fleet procurement and amassing over \$120 million in vehicle purchases, Dave Welch brings deep knowledge of the automobile business and well-developed relationships with fleet providers nationwide.
